Experience:

Mecklenburg County Public Information

Graphic Specialist

Nov 2024 – Present

Created, consulted, and guided creative across all County departments to uphold brand standards as well as ensuring all documents are ADA accessible. Assisted in several Canva trainings and created content for a variety of outlets such as geofencing, printed materials, templates, billboards, UX, and more in multi language support.

Walt Disney World

Disney College Program

Jan 2024 – Aug 2024

Ensured mobility devices at EPCOT's park arrival stroller & wheelchair rentals met Disney standards and assisted guests in understanding their ECVs. Worked closely with the German Cultural Representatives to provide a welcoming and authentic experience at EPCOT's Karamell Küche. Assisted artists and vendors at Festival of the Arts and the Flower and Garden Festival.

Deloitte Space Launch SCADpro

Graphic Designer

Mar 2023 – June 2023

Researched and developed concepts on how to minimize launch disruptions by ingesting environmental, weather, and flight-path data to provide accurate launch scheduling recommendations. Created the dashboard for this software.

LogoStuff Inc. and Atascocita High School

Design Intern

Aug 2018 – Sept 2019

Designed and assembled signs for the Humble Rodeo. Coordinated scheduling with clients, led projects, and designed advertisements such as flyers and posters. Packaged and prepared merchandise for shipping and organized invoices. Painted murals for Atascocita High School.
